Let's Talk

There is
There are

How many are there?

	1	2	3	4	5	6
1	Ask any question!	How many people are there in the world?	How many students are there in your classroom?	How many days are there in one year?	How many letters are there in the English alphabet?	How many days are there in February?
2	How many dogs or cats are there in your home?	How many airports are there in your city?	How many countries are there in the world?	Ask any question!	How many planets are there in our solar system?	How many meters are there in one kilometer?
3	How many hours are there in one day?	How many restaurants are there near your home?	How many parks are there in your town or city?	How many years are there in one century?	How many stars are there in our solar system?	Ask any question!
4	How many states are there in the United States?	Ask any question!	How many years are there in one decade?	How many cents are there in one dollar?	How many inches are there in one foot?	How many people are there on the moon?
5	How many rabbits are there in your classroom?	How many hairs are there on your head?	How many sides are there in a square?	How many months are there in one year?	Ask any question!	How many books are there on your bookshelf?
6	How many oceans are there in the world?	How many noses are there on an elephant?	Ask any question!	How many cities are there on Mars?	How many weeks are there in one year?	How many legs are there on a spider?
