

GRAMMAR DISCUSSION

'WILL' and PROBABILITY

Into the Future!

Ten years from now...

1. ... how old will you be?
2. ... what country or city will you probably live in? Why?
3. ... will you probably be married or single? Why?
4. ... how many children or grandchildren will you probably have? How come? How old will they probably be in ten years?
5. ... will you have a car, or will you have a motorcycle, or will you have both? What kind(s)? Why?
6. ... what kind of job will you probably have? What will your salary be? Do you think you will like your job? Why? / Why not?
7. ... will you still study English? Why? / Why not? Will you study something else? What? Why?
8. ... will you probably be happy? Why? / Why not?
9. ... will you be famous? Why? / Why not?
10. ... will you have more free time or less free time? Why?

- **Work with a partner and write 3 more questions about the future to ask your classmates!**

1. ... _____ ?
2. ... _____ ?
3. ... _____ ?
