**Grammar Focus** Past Simple**Level** Intermediate**SUGGESTED ACTIVITY IDEAS****1. Race Against the Clock**

Distribute the handout one per learner – and then set a time limit to complete the list. How many words can they write, for example, in ten minutes?

**2. Team Competition**

Break the class into small groups and see which team can complete the list first.

**3. Exclude Third Person Singular '-s'**

Before starting the game, consider excluding verbs that end with '-s' (third person singular verbs). For example, 'read' is allowed, but not 'reads'.

**4. Project the Letters**

Display the letters on the board if you have a projector. Have students write past tense verbs on the whiteboard.

**5. Activity Extension**

Consider having your learners trying to use all the words they formed in a written story.
